JOINT STATUS REPORT

Pursuant to the October 11, 2011 *Order for Status Report* (Doc. No. 10647), the State of New Mexico and the Jicarilla Apache Nation, by and through their undersigned counsel, file this joint status report.

Counsel for the State completed a draft of a Consent Order describing the water rights of the Jicarilla Apache Nation in Section 7 of the Rio Chama Stream System, and served the Jicarilla Apache Nation with it on November 18, 2011.

The Jicarilla Apache Nation requires time to review the proposed Consent Order and have technical meetings with the State to discuss its provisions. The Consent Order will then have to be submitted to the Nation's Legislative Council for review and approval. These processes should be completed so that the Consent Order is presented to the Court for approval and entry by February 29, 2011.

Respectfully Submitted,
